

Portsmouth Concerned Citizens

September 5, 2016

Dear Mr. Seveney,

I am writing to invite you to attend the October 12th PCC Candidates Night for General Election Senate District Eleven candidates. We will be conducting this event with our partner, the Center for Freedom and Prosperity. The Center will conduct advertising for this evening.

We recognize that there is a Democratic primary this month, but wish to give you the earliest notice, and are sending this letter to all three candidates.

The PCC and the Center will hold the Candidates' Night for Senate District 11 candidates on October 12, in the Portsmouth Council Chambers beginning at 8:30 PM.

In past elections, the PCC has held candidates' nights as a service to Portsmouth voters participating in the November general elections. This election will be conducted during a presidential election, which is likely to dominate the media. It is our intent to provide more exposure to the Assembly candidates so that the voters may make a more reasoned choice at the polls.

The PCC and the Center will be inviting the public and the press to attend and you are encouraged to invite your supporters. The event will be recorded and played on the Public Access channel on Cox cable a number of times before the election. You are also encouraged to bring your campaign literature for which we will provide a table in the hallway. There will also be an opportunity for the candidates to meet attendees following the formal portion of the event.

Participants will be given an opportunity to speak to the public in the opening five minute segment, describing their qualifications and their goals for the future. Subsequently, the moderator will present the panel a series of three questions and ask for their individual three minute responses. This will be followed by an opportunity for the public to submit written questions for the candidates through the moderator.

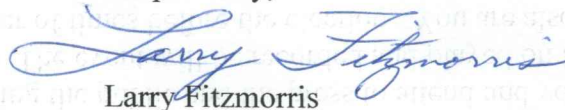

We will provide a list of procedures to all candidates the evening of the event.

I would like to request that you respond to our invitation so that we will know who is attending and plan accordingly. My e-mail address is LJFITZ45@aol.com and my phone number is 401 835-5136.

It is our hope that all candidates will participate, share their views with the public, and generate voter interest in the election this November.

Coffee and Refreshments will be served.

Respectfully,

Larry Fitzmorris
